# Short-term Program in Taipei Tech

---

## Colleges

Established in 1912, Taipei Tech is among one of the oldest universities in Taiwan. It was first established during the Japanese Colonial Period.

Now Taipei Tech currently offers  
19 undergraduate programs,  
26 master programs and  
17 Ph.D. programs within 6 colleges.

## Course

With the long-standing history and experience in education, Taipei Tech devotes to cultivating top technical professionals. Taipei Tech specializes in three fields: technology, design and management.

## Location

Taipei Tech campus is located at the apex of the Taipei Metro system.

Not only can students enjoy a world-class education at Taipei Tech, but they also gain the opportunity to enjoy the rich traditional culture that Taipei offers.

Attractions such as Taipei 101, the Palace Museum, and the Chiang Kai-shek Memorial Hall are in close proximity to Taipei Tech.
